

The Dimmer View

BY MAX GOODWIN

A couple of issues to appear on the November 4 ballot have not been as highly publicized as some of the others which have more violent support or opposition. Still, these issues are important. One is Proposition 6, the "right to know" issue.

For many years the people of California have been properly informed through mandatory public notice in newspapers about state spending, particularly in the case of state bonds.

Two years ago this century-old proceeding was interrupted by an additional constitutional amendment, narrowly adopted, which was primarily designed to reduce the statutory period of state bond issues from 15 to 50 years. Included in this amendment was a section which repealed the provisions of mandatory public notice, specifying that the only notice required was the pamphlet sent to voters prior to elections.

The 1957 State Legislature with only six dissenting votes of its 120 members recognized the error of this repeal, adopted Senate Constitutional Amendment No. 33 which appears on the Nov. 4 ballot as Prop. 6.

This would re-establish a mandatory public notice of state bond issues but on a reduced basis to meet the objections of state governmental economists. It would reassert the sound principle of an informed electorate at a much lower cost than previously.

Because a adequate, advance knowledge of the scope and purposes of any proposed bonded indebtedness can be guaranteed only by passage of this proposal, proponents of Prop. 6 urge all voters to go to the polls and protect their right to know by voting "yes" on Proposition 6.

The other issue is County Proposition "A." This has to do with building a replacement county hospital facility. As near as we can ascertain, the approval of the building of the hospital will reflect on our tax bill one cent a day increase.

When taxes are increased, no matter how minutely, a voter should proceed with extreme caution. Yet, how can a thinking voter turn the hospital issue down?

It used to be that a county hospital facility was used primarily for the indigent and unwanted, mostly those who had long since passed the prime of life. Not so today. We are surprised by the number of our friends and acquaintances who use the county hospital. We are able to know more about these because this is part of many news stories. Many of us in the newspapering profession have done a disservice to the county hospital because we subscribe to the still prevalent belief, and the unimproved basis, that only the indigent have a call on the county hospital.

How do we do it? We often use the name of such prominent edifices as Graceland or Sharp hospital. But when the patient is at County, we usually refer to this as "a hospital" and often, it is because the news sources ask us to.

This is wrong, of course. The County Hospital is our hospital. The professionals employed by the hospital are good professionals. The hospital does not offer second rate treatment!

We think we are entitled to a replacement hospital for our own protection, and we think a penny a day is cheap for this vital facility.

Most of us think of Gov. Faubus of Arkansas as a misguided, hardheaded political fool who has set the cause of democracy back a generation in the eyes of the rest of the world.

He didn't set it back nearly as much as it was set back right here in the good old United States when the Department of Internal Revenue made an income tax charge against Faubus as if in retribution for his stand.

The IRS people said later it was a "mistake" according to the national news wire service, but I for one, have developed a little sympathy for the Faub. Not for his stand on integration, however, because I think him dead wrong on that one. But he's got my ear and my heart fighting federal retaliation.

This sort of spite work is more general than many suppose. Even in this case, when we get into an argument with the State Employment office regarding one of their interpretations we feel the chimney hand of a federal office. It was only a matter of weeks after our argument with the State people that we were

Woman Hurt In Accident On Main St.

Mrs. Ava B. Constant, 50, of 314 Alta lane, El Cajon, suffered major injuries Tuesday afternoon when her auto collided with a Rayco Construction Co. truck driven by Robert L. Duncanson, Box 100, Lakeside.

Mrs. Constant, an employee of Southland Savings and Loan Co. of Lemon Grove, was headed south on Main street when Duncanson, headed east on Davidson street, made a left turn onto Main and collided with Mrs. Constant's auto, California Highway Patrol reports show. Duncanson said he saw the auto too late to avoid the collision.

Mrs. Constant was taken to Graceland hospital where her condition Wednesday was reported as "good." Duncanson escaped without injuries.

APPLE A DAY KEEPS THE KIDDIES AT PLAY—The Lemon Grove Kiwanis Club will sell apples throughout the community Saturday as part of a project for aiding Lemon Grove's underprivileged children. Income from the apple sale will be used to pay for glasses, shoes and dental care, if there be need for such items.

In the photo are Marilyn Young, left, 7480 San Miguel, and Jean Faucher, 7446 San Miguel, who will have a part in the sales program. First customer is Jean's papa, Postmaster Frenchy Faucher, Kiwanis apple chairman.

United Fund Drive Half-Way Home As Deadline Nears

The United Fund campaign Tuesday passed the halfway mark on its goal to raise \$3,512,500. It was reported at the third progress report meeting at the Mission Valley Country Club. Deadline for the drive is Wednesday of next week.

Lemon Grove and other Heartland communities raised \$19,021, or 37.3 percent of its \$51,000 goal, according to Art West, associate campaign chairman, reporting for Henry A. Boney, division chairman.

Senator Knowland Serious, Jovial At Local Rally

Square dancers, political candidates, an actor, Indians and a clown were among entertainers and supporters who turned out Saturday at the rodeo grounds, Broadway and Sweet water road, to welcome U.S. Senator William "Bill" Knowland, gubernatorial candidate, to Lemon Grove.

Free balloons and ice cream were distributed to tots at the festivities in which Knowland said he "couldn't see how Pat Brown," his opponent, "could administer the entire state government when he has so poorly handled the job of attorney general in California."

Knowland also said in speaking about labor problems, "There should be a law to prevent honest men from being held captive by corrupt unions. I have always believed in individual freedom."

Knowland, alternately in jovial and serious moods, danced with

the Heartland Hoedowners, a square dance group, and awarded a posthumous medal to Robert P. Bowers, a San Diego policeman who died in 1955 in a traffic accident.

He commended William M. "Bill" Shearer, candidate for assembly in the 77th district, for his tireless work in his campaign and said "I need Shearer in Sacramento when I am elected governor."

Other political candidates at the rally were State Senator Fred Kraft, Assemblyman Frank Luckel and Congressman James Utt. Ward Bond, movie and television actor, also appeared and gave his support to Knowland.

GILBERT HARELSON NAMED MUNICIPAL JUDGE BY GOVERNOR GOODWIN KNIGHT

Gilbert Harelson, 39, city attorney for La Mesa who also has law offices in La Mesa and Lemon Grove, was appointed municipal judge of the El Cajon Judicial District Saturday by Governor Goodwin J. Knight.

Harelson will fill a new municipal court judgeship created when the county board of supervisors recently realigned the Homeland Judicial District with the El Cajon District after consolidating the homeland District with San Diego Municipal Court District more than a year ago.

Two Lemon Grove precincts were left out of the realignment, one of which is the precinct in which San Diego Municipal Judge Luther N. Hussey resides.

Municipal Court Judge Fenton Garfield has been the only judge in the district which now serves Lemon Grove, Spring Valley, La Mesa, El Cajon, Dulzura, Jamacha, Jamul, Potrero and Casa de Oro.

Prior to the original consolidation, part of the present district had use of a justice court in Lemon Grove. When the district and the court were consolidated, Justice of the Peace Hussey was elevated to a municipal judge. The case load in the El Cajon District then became heavier with cases currently being set for March 1959.

Harelson becomes the youngest judge in San Diego County. He will preside at a courtroom temporarily established in the El Cajon City Council chambers. His salary will be the same as other municipal court judges, \$16,500 a year.

Harelson said he didn't know when he will be sworn in. "I will probably resign as La Mesa city attorney at the first of the month," he said. "I will request several weeks to wind up my private practice and to break someone in in the city attorney's office."

Judge Garfield said he was "happy that the appointment had finally been made. They picked

Burning Grass Troubles Firemen; Automobile Burns

Burning grass figured in all but one "run" made from October 10 to October 19 by the Lemon Grove Fire Department.

The lone fire which didn't involve grass occurred October 10 at the home of Billy Wester, 17, 3903 Shirlene place, when a burning cigarette was dropped on upholstery of an auto Wester was tearing down.

Grass fires were reported at Carlisle and Jud streets on October 10, 2023 Ensenada street on October 17 and at 8315 Palm street on October 19. The blazes were confined to less than 1 1/2 acres. Fire Chief Harold Hensley reported, and are thought to have been started by sun shining through broken glass scattered in the areas.

The fifth fire occurred on October 16 at 8434 Palm street when a canvas tarpaulin covering baled hay ignited. This fire too, is thought to have started from spontaneous combustion.

Dictionary Hill Ruling Reversed By Supervisors

SAN DIEGO (CNS)—The Dictionary Hill area can be annexed to the Spring Valley Sanitation District, supervisors decided Tuesday, reversing a decision made two weeks ago.

They took the action at the request of Ralph W. Chapman, a partner in Dictionary Hills Avocado Groves, a company owning 90 percent of the land in the area.

Jean L. Vincenz, director of the county's public works department, asked supervisors to accede to Chapman's request. He said Chapman's land was dropped from annexation proceedings because its plans had been made for construction, so the annexation was deemed not likely to benefit the area.

Vincenz said his department's change of mind was due to Chapman's statement that he "feels very strongly that they will receive a benefit by annexing to the sanitation district now."

Supervisors approved proposition of a resolution of intent to annex the area, with a date to be set later for public hearing.

New Court May Be In 'Big-Top'

SAN DIEGO (CNS)—The El Cajon Judicial district's second judge, Gilbert Harelson, due to assume the bench in several weeks, may have to hold court in a "water-proof tent" at Gillespie Field, county supervisors decided Tuesday, as they turned down an offer for the city's council chambers on a month-to-month lease.

Board members reacted touchily to a letter from El Cajon's mayor, Karl Tuttle. The communication was delivered Tuesday morning while supervisors were in session, by the marshal of the El Cajon municipal court, Harry Chodoffler.

Supervisors have been growing increasingly hostile toward the judge in the El Cajon court, R. Fenton Garfield, who has in turn been critical of actions of the board.

The letter from Tuttle said the El Cajon council had received a request from Garfield for use of the council chambers as a courtroom. This would be used by Gilbert Harelson, La Mesa city attorney, named to the El Cajon court last week by Gov. Goodwin Knight.

Tuttle wrote that the council chambers would be suitable for a courtroom, but that the council Monday night had expressed unwillingness to permit use of the space on anything but a temporary basis. He said the quarters would be available only for 30 days, but the council would be "agreeable" to a renewal of the arrangement.

Supervisors declared the proposal "unrealistic."

Board member Robert Dent said El Cajon had offered its quarters as a courtroom when city officials were seeking a second judge for the area. He then declared the council was reversing itself on that agreement.

"We've always intended to build a second courtroom for El Cajon," Dent said, "and using their council chambers would be a temporary measure only. But I can't go along with a lease that has to be renewed every 30 days."

It was Supervisor De Graff Austin who suggested looking for

Supervisors OK Rights Payment

SAN DIEGO (CNS)—County Supervisors approved payment Tuesday for acquisition of rights-of-way for Imperial avenue in Lemon Grove. For a deed executed by Anton J. and Dorothy O. Eastergard of Lemon Grove, the board approved the payment of \$4,053 to the Union Title Insurance Company.

HID To Start Pay-Lake Fishing

The Helix Irrigation District board of directors authorized the district staff to stock Lake Murray with trout for controlled fishing. Under the plan adopted by the district the lake will be stocked with rainbow trout ranging in weight from one-third of a pound to one pound.

The stocking operation will probably start in December when the water temperature has gone down sufficiently to maintain cold water fish. Approximately 1,000 pounds of trout will be planted during the first month, with periodic restocking during the five months to maintain the fish population.

A 10 fish limit will be maintained at the lake and daily fishing permits for adults will cost \$1 with junior permits at 50 cent a day.

CONTESTANT—Pretty Janice Walker, 16, of 3119 Massachusetts street, Lemon Grove, is one of 44 girls who have entered the race for queen of the North Park Toyland parade, which will be held December 7. Janice starts her campaign this week, which will end November 26. Ten finalists will be judged for beauty, poise and personality Nov. 29. The winner will ride on the queen's float in the parade, and will receive a treasure chest of gifts.

Spring Valley Resident Charges Home Damage

SAN DIEGO (CNS)—County Supervisors this week sent to Public Works Department a letter outlining damages allegedly resulting from a dynamite blast in Spring Valley October 10.

Howard R. Evans of Spring Valley said damage to his home was the result of blasting by the Charles Deffman Company.

Austin Guild Slates Speaker

The Austin Guild of St. Augustine high school will feature Rev. Donald L. Williams, OSA, as speaker at its meeting Monday of next week, 8 p.m., at St. Patrick's Hall, Dwight and Ray streets.

Dr. Williams will speak on "Linguistics and its Importance in the World Today."

Mrs. William Coleman, president, will conduct a business meeting. Refreshments, under the direction of Mrs. Walter Fiebelman, chairman, will be served by mothers of St. Charles parish of Chula Vista and the Precious Blood of Chula Vista.

A luncheonette card party will be held at noon Wednesday, November 12 at St. Patrick's Hall.

SCHOOL ACCEPTED—Dedication ceremonies of Mt. Miguel high school were held earlier this month, a year after the school was occupied. Principal Mel Grant, left, told how the school, probably the only one in the nation to have done so, opened without running water. Previously, water, in the form of rains, delayed completion.

School was presented to students and parents by Grossmont high school trustee Palmer Svalstad, second from left. Acceptance was made by Mrs. Robert Graham, right, president of the Mt. Miguel high school PTA, and John Conlee, president of the school's Associated Student Body.

Actor Bob Turnbull Faces
Busy Schedule Here Friday

Lemon Grove's Bob Turnbull, movie actor, will squeeze in a busy schedule of personal appearances Friday of this week in the Heartland area before returning to Hollywood Friday night.

Turnbull will participate in the first annual alumni homecoming assemblies at the school, at 12:30 and 1:30 p.m., and attend the football game that night when the Mt. Miguel Matadors meet the Helix High Highlanders and make an appearance at the after-game dance. Turnbull is an alumnus of Helix High, class of '34.

Prior to the assemblies he will appear on several disc jockey shows to plug the homecoming event.

A queen will be crowned during half-time activities at the game, to be played at Helix stadium, with Mt. Miguel supplying the

midgame entertainment. The dance will be held in Mt. Miguel high cafeteria.

With trying to squeeze in all appearances, Turnbull will have still another problem — which team to cheer for. Although he is an alumnus of Helix High, Turnbull is a sometimes resident of Mt. Miguel's district, Lemon Grove.

Writers Club
Sets Meeting

The La Mesa Writers Club will meet at 1:30 p.m. Monday of next week, at the home of Luther Smith, 8414 Lemon avenue, La Mesa.

Topics of discussion will be: a report of the recent three-day conference, prize winning poems and stories from the conference and reading of new manuscripts.

Builders Hiring
For Ship Program

National Steel and Shipbuilding Corporation of San Diego is hiring 1,200 additional employees to begin work on a \$24,000,000 shipbuilding contract that resulted from a bill Congressman Bob Wilson introduced requiring the Maritime Commission to divert some of the new ship money from the east coast to the west coast shipyards, according to Milton F. Flus, vice president and general manager of National Steel and Shipbuilding.

This is the beginning of a 15-year shipbuilding program by the Maritime Commission that will involve the construction of a total of 467 ships during that period.

Flus said that right now National Steel and Shipbuilding is preparing a competitive bid on a contract for four more of the C-3 type cargo ships.

State College
Asks Chamber To
Help On Prop. 3

A San Diego State College of Social Science last week asked the Lemon Grove Chamber of Commerce last week that failure of Proposition Three would mean curtailment of expansion at San Diego State and virtual abandonment of plans to build a University of California campus at La Jolla.

Gordon F. Lee, publications manager at the college, speaking at Michael's Restaurant, said that enrollment in his institution stood at more than 9,000. He said this figure would go to 15,000 by 1945 and 20,000 by 1970.

If the college is to accommodate this load, Lee stated, it must expand. At the meeting, the need for funds to operate the chamber for the balance of the year were cited by chamber president Ernest Newton. It was agreed that delinquent dues should be collected and contributions of cash for chamber expenses should be encouraged. A \$10 donation was made by Ira Durham, a chamber visitor.

The chamber was also told that three-weeks sampling of the sentiments on incorporation was being obtained by telephone. The report was made at the section of the chamber meeting set aside for the Committee of 1,000 for incorporation.

Richard Kohanek, co-ordinator of incorporation matters made the report. He did not say whether the sentiment favored incorporation or not.

School Committee
To View Problems
Of Area Schools

Grossmont Union High School District Citizens' Advisory Committee discussed the year's program and volunteered to serve on a variety of committees at their recent meeting on the Grossmont campus.

Reports from a committee studying the use of two diplomas in some school districts and from a committee studying problems connected with the new school at Lakeside will be made soon. November will see a report from the group studying the length of the school day and year as well as one from a subcommittee interested in the mentally retarded program in the Grossmont District.

Other committees formed to present results of study include guidance, curriculum and finance. The junior college will continue to be a subject under discussion as will the student work-experience program. Committees will study the extra-curricular program in the district, and school district organization will be a subject also under study.

CAC members voted at their first meeting to meet the fourth Monday evening of each month. Interested citizens, whether appointed members or not, are urged by Hart Dunham, chairman, to attend the meetings.

The next meeting will be held Monday of next week.

New Owners
For Michael's
L. G. Cafe

Joe Papitto and Ray Johnston, co-owners of the Artec Fence company in San Diego, announced this week they had taken over the complete operation of Michael's Steak House, in Lemon Grove.

The partners bought part interest in the restaurant last year and entered into a remodeling program with the former owner, Henry Goldy of Spring Valley.

Goldy will now devote his entire attention to Michael's restaurant in Chula Vista. Goldy started the Lemon Grove restaurant six years ago. Later, he started Michael's in Chula Vista. There will be no connection between the two in the future. Papitto said the Lemon Grove restaurant would soon be given a complete facelift. A new chef, Arthur Sarchetti, formerly chef at Cincinnati's Hilton Terrace Plaza, takes over the kitchen this week.

Papitto said the cafe's features such as the Friday noon style show featuring Robb's Kraft's models and styles of local stores would be continued. So will Don Howard's talent show which is held every Sunday night. Free prizes are included in the latter.

LI. Bowlin Attends Army Air School

Fort Bliss, Tex. (Spcl.)—National Guard 2d Lt. John Bowlin, 23, son of Lt. Cmdr. and Mrs. W. M. Bowlin, 3034 Golden avenue, Lemon Grove, recently completed the 16-week antiaircraft artillery officer basic course at the Army Air Defense School, Fort Bliss, Texas. Lieutenant Bowlin is a member of the 730th antiaircraft artillery battalion's battery D in El Cajon. A 1953 graduate of Helix high school, he attended San Diego State College.

UCLA Professor Slated For UN Birthday Program

Dr. Robert Newman of the University of California at Los Angeles will be the featured speaker October 24 at a program in the House of Hospitality in Balboa park to celebrate the 18th birthday of the United Nations. The United Nations Association of San Diego and the San Diego League of Women Voters are co-sponsoring the event. There will be no admission charge.

Dr. Newman, a political science professor who has just returned from Baghdad, Iraq, will speak on "The Role of the UN in Recent Foreign Policy." Prof. Minos Geraralis and Prof. Robert Wilcox, both of San Diego State College, will assist Dr. Newman during the discussion which is slated to follow.

Preceding Dr. Newman's talk, a world's fair in miniature will be presented with exhibits by groups from many of the UN's member nations.

"How Can the United Nations Keep the Peace?" will be the topic of another UN Week event, a panel discussion sponsored by the El Cajon League of Women Voters. Speakers at this program, scheduled for October 23, at 8 p.m. in Ballantyne school, El Cajon, will be Dr. Ned Joy, Dr. Sidney Warren, and Dr. David Malcolm. Cy Cassidy and Dr. Gaylord Parkinson are to act as challengers and Mrs. Kenneth Venn will moderate.

A concert by Bonham Boys' band, folk dancing, and a reception for the local consular staff

are planned for October 23, at 2 p.m. These events, and a talk by Mrs. Elise Lisch of Switzerland on the United Nations Children's Fund, will take place at the House of Pacific Relations, Balboa park. Mrs. William S. Fay is in charge of the Sunday program.

Physicians Say "No On 17"

Physicians in San Diego county have joined public officials, business and professional groups, labor elements and members of both political parties in denouncing proposition 17, officials of the Bi-Partisan Committee to Defeat Proposition 17, said this week.

The County medicals have reacted vigorously both as individuals and as members of a county physicians committee organized to defeat the dangerous and deceptive measure on the November 4 ballot, officials said.

"Doctors everywhere," Ward Fitzpatrick, general chairman, said, "should recognize the simple fact that the passage of proposition 17 could bankrupt the California and irreparably injure the educational and welfare programs of which we are all so proud. Under the guise of reducing the sales tax and some of the lower bracket income taxes, it would be just like an invitation to create new and more burdensome taxes to even consider proposition 17."

Old-Timer Back

In Grove For Visit

El Lewis, a Lemon Grove old-timer, is back in town for a visit. Lewis, a former painting contractor, operated one of the first businesses in Lemon Grove. He and his wife ran a nursery on the northeast corner of the main intersection at Broadway and Imperial which they started in 1910. There was nothing else in that quarter block except his nursery, he said.

He still owns the property occupied by Michael's Cafe with the exception of the west portion.

He now lives in Salem, Oregon, where he spends most of his time fishing. He also owns a place on the Neustetter River which is his fishing headquarters.

Lewis said he will be heading north late this week.

Concert Group Committee Slates Meeting Oct. 24

The fall musicale and general meeting of the women's committee of the Grossmont Community Concert association will be held on Friday, October 24, at 3 p.m. in the La Mesa Fine Arts Center, 8655 University avenue.

Mrs. Gilbert Hareless, president, invites any interested person to attend and join the committee to hear the music program and to learn more about the group.

The committee is made up of women musicians, both professional and amateur performers or composers; patrons of the arts, civic-minded housewives, teachers, and students.

The group has grown from the original founding committee appointed by the association to more than 200 members who are not, necessarily, members of the parent Concert Association. The women's committee is formed of community groups in Lemon Grove, Fletcher Hills, La Mesa and El Cajon-Lakeside, such with their own chairman. Mrs. Roy Day and Roy Close are co-chairmen for Lemon Grove.

General chairmen joining Mrs. Hareless in planning the musicale include: Mrs. John H. Floyd, social; Mrs. Clark W. Virtue, program; and Mrs. Perry Pollock, arrangements.

College Schedules Typing Classes

Beginning vocational typing classes will start the week of October 27 in both day and evening programs of the San Diego junior college. Beginning students may also enroll in business English, bookkeeping and accounting, business arithmetic, comptometer and calculating machines.

Card punch operation applicants who wish to "brush up" to the required typing speed may enroll now in typing speed building classes. A few openings remain in evening card punch classes for November or for the day classes in December.

Persons needing to improve office skills to obtain employment may enroll in advanced classes such as shorthand and duplicating and transcription machines.

Enrollments are being taken Monday through Friday, 9 a.m. to 2:30 p.m. for day classes and for evening classes, 6 to 9 p.m. at the junior college student personnel office, 1425 Russ boulevard.

NEWEST PTA—San Altos becomes a going concern as Mrs. Robert Higgins, president of the Mt. Helix Council of the 9th District CCPT association presents the group's charter president, William "Bill" Brown, Jr., with a president's pin. Also presented was nearly \$100 in cash from other PTAs in the district to help San Altos meet budgetary requirements the first year. School opened earlier this month. Other officers serving as charter members include Mrs. Faye McCalla, first vice president and program chairman; James Starbuck, second vice president and membership chairman; Mrs. Kathy MacIver, third vice president and room mother chairman, and Mrs. Mary Mosteller, secretary. Also Mrs. W. T. Balsey, treasurer and Mrs. Sue Duffy, auditor. Photo was taken by Keith Rich-

Matadors Trip Chula Vista In Last 15 Seconds Of Game

By scoring twice in the last quarter, Mt. Miguel defeated Chula Vista 33 to 20 at Chula Vista Friday night.

Miguel's first TD came on a 48-yard run by Jerry Lipscomb. Lipscomb also kicked the PAT. Chula Vista's first score came on a 48-yard pass play half-way through the second quarter. The half ended with the score 7-7.

Chula Vista took the kickoff to begin the third quarter and drove 45-yards for a touchdown. Miguel bounced back with a 30-yard drive in four plays for a touchdown. Lipscomb carried from the five-yard line. Chula Vista then took the kickoff on their 32 and drove for a touchdown, the score coming on a 36-yard pass. Wayne Summers scored Miguel's next touchdown on a 46-yard run. The third quarter ended with Mt. Miguel 19, Chula Vista 20.

In the fourth quarter Mt. Mi-

guel drove 64-yards in six plays for a touchdown. The score was 26 to 20 at Chula Vista. A 21-yard pass to Lipscomb accounted for the score. Mt. Miguel's final score came in the last 15 seconds of the game as Pete Jernigan ran eight yards for the score.

CITIZENS COMMITTEE AGAINST PROPOSITION 18

SICK PAY EXEMPT FROM INCOME TAX

A recently enacted law will permit Internal Revenue Service to make refunds to many thousands of taxpayers under a Supreme Court decision that sick pay received under employer plans are exempt from federal income tax.

The Congress, in Technical Amendments Act of 1958 (Public Law 85-961), provided a period of one year for re-opening of refund claims previously disallowed covering the years prior to 1954.

IRS said the one-year period runs to September 1, 1959, and applies to those claims where the Revenue Service has issued a registered notice of disallowance and the two-year period for filing suit has expired.

Any taxpayer who filed a timely claim for refund after December 31, 1951, and who has received a registered notice of disallowance should send a letter to his District Director of Internal Revenue requesting reconsideration of his claims for refunds. IRS, since these refunds must be made by September 1, 1959, IRS urged taxpayers involved to write their district director as soon as possible.

District directors will expedite these cases to insure the refunds before Sept. 1, 1959, IRS said.

Annual Alumni Festivities Set

The Girls League of Helix high school has scheduled their annual tea for alumni on October 31 as part of homecoming festivities at the school.

Chairman of the tea is Nancy Gallahan with the alumni tea committee serving as hostesses.

An assembly for alumni is also scheduled for October 31 at 1:45 p.m. in the football field bleachers.

Square Dance

News . . .

FRONTIER SQUARES

The Frontier Squares third anniversary dance will be held November 1 at Spring Valley junior high school. The dance will feature wagons loaded with prizes along with the usual fun and dancing. A coffee pot will be awarded to the winning club.

Following the anniversary dance the Frontier Squares will change their dance nights to the second and fourth Saturdays with the fourth Saturday reserved for party night.

Club caller Ray Columbo of the Country Cousins was welcomed back and served as caller at the Country Cousins dance Saturday night. He underwent surgery recently.

Attendance at the dance was good despite the hot weather. Bernice Tharp, publicity chairman, reported.

Among guests at the dance were the Legion Squares of Lynwood, California. Marvin Yates, formerly of San Diego, is a member of the northern group and assisted with the calling at the dance.

The Country Cousins will hold their annual Halloween party dance on Saturday of this week at the La Mesa Dale school, 4370 Parkers avenue, two blocks north of the usual dance site. School activities prevent use of the regular hall on that evening. Al Wolfson and guest callers will be featured. Costumes may be worn.

GADABOUTS

Costume prizes and refreshments will be featured at the Gadabouts' Halloween dance Monday of next week, 7:30 to 9:30 p.m., at the Lemon Grove Youth Center. The Gadabouts is a square dance group for teenagers.

Men's Club

Hears Debate On Prop. 18

Pro and con of Proposition 18, the right-to-work proposition, were heard Friday at the Men's Club.

Leo R. Pierson, personnel director of Home Federal Savings and Loan, spoke in favor of the issue. He said wages had increased more in right-to-work states than in California.

K. E. Ellis, a student majoring in industrial relations at S.D. State college took the negative. He said employees are not capable of working in an unperturbed atmosphere if they felt they would have to keep negotiating for their jobs.

Club president Bill Parker, Telco executive, said Sheridan Highland, district assemblyman, would be speaker Friday. The following week Louis Peelyon, administrator of Grossmont hospital district, will be presented.

The club meets every Friday at noon at Michael's Steak House. All men are invited to attend.

There are now more than two hundred family and professional magazines listed in "Standard Rate and Data Guide" that refuse all alcohol beverage advertising. Their total circulation amounts to 99 million. This is most encouraging! We hope the time will come when ALL newspapers and magazines, as well as television and radio, will refuse to carry any advertising whatsoever for the liquor manufacturers!—The Kingdom Digest

OUR Greatest NEED

"Clearly, one of our greatest needs in San Diego County today is for adequate and modern County Hospital facilities. Nearly all of the present hospital is old, worn out or unsafe—and needs to be replaced. Every day that passes increases the need.

"The hundreds of doctors and dentists represented by the San Diego County Hospital Medical Research Foundation, the San Diego County Medical Society and the San Diego County Dental Society, who render their services free of charge to County Hospital patients, ask you to Vote Yes for a County Hospital replacement building that will answer our urgent need."

Rev. Bakken Elected Head Of Ministerial Association

Rev. H. C. Bakken, pastor of the Lemon Grove Lutheran church, has been elected president of the Lemon Grove Ministerial Association.

Rev. E. Walter Smith, pastor of the Lemon Grove Congregational church was elected secretary.

Pastor Bakken said the group would meet again on November 13 at the Skyline Wesleyan church. Most of the approximately 20 churches in the Lemon Grove-Spring Valley area are expected to be represented.

Twelve churches are currently members, he said. Plans are to enter in joint ventures by which greater church attendance will result.

Pastors of all churches in the area are invited to take part in the forthcoming programs, Pastor Bakken said.

Two Worship Services Set For Baptists

The membership of the First Baptist church, Main at Burnett streets, will inaugurate two morning worship services this Sunday at 8:15 and 10:30 a.m. Special revival services will continue through Sunday evening of this week.

A Men's Fellowship turkey dinner will be held this Thursday evening at 6:30 for all men of the church and their friends.

High attendance goals have been set for all departments of the Sunday school and Baptist training union this Sunday.

New church equipment is being made which will boost the potential Sunday school space to accommodate 750 persons.

A well-equipped nursery is being provided for all babies through three years of age. Rev. O. B. Martin, Pastor of the Bethel Baptist church, Escondido, is the evangelist for the local church revival.

Minister's Son To Occupy Pulpit

Myron Nichols, Chapman college student and son of the minister of Vista La Mesa Christian church, will occupy the pulpit at both worship services next Sunday.

The high school group will participate in the District Christian Youth Fellowship Rally at East San Diego Christian church, beginning with a potluck dinner at 6:30 p.m.

Men of the church will also participate in a district function on Wednesday evening, October 23, when they also convene in the East San Diego Christian church for a dinner meeting of the Christian Men's Fellowship at 6:30 p.m.

Dates Corrected For Market Advertisement

One of the items in the Food King Market advertisement on page 5 which reads "This coupon good Oct. 15, 16, 17 & 18 ONLY, \$3.00 worth of Thrifty Green Stamps should read Oct. 22, 23, 24 & 25. The error was caught too late for correction.

Karen Dickson Named President

Karen Dickson, sixth grade, October 15 was elected president of the student body of the Golden Avenue school.

Other officers elected were Ray Lehtinen, vice president, fifth grade; David Rado, secretary, sixth grade; and Michael Foster, treasurer, sixth grade.

New Owners For Ward Lumber Co.

A Lemon Grove general contractor, Thomas P. Sarantos, together with a partner, Henry Garnjobst Jr., of Fullerton, have bought the business and assets of the Ward Lumber Co., 3380 Massachusetts avenue.

The name of the firm will be the Massachusetts Avenue Lumber Mart and the business activities will be expanded to include a complete line of do-it-yourself materials, assistance in financing and help with plans, along with contractors' materials. The firm was put on the market following the death in July of Fred Ward, the firm's former president.

Sarantos has been in the contracting business in Lemon Grove and La Mesa for the past 10 years but is a native San Diegoan. Garnjobst, a sales manager for Koppers Company, will be the firm's buyer of materials in the north.

Sarantos lives in Rolando Knolls.

Junior High PTA Membership Drive Goes Over Top

The recent Lemon Grove Junior high PTA membership drive surpassed its goal, Mrs. I. L. Arms, membership chairman, reports, with 100 percent reached on the fourth day of the eight day drive. The final count was 975 memberships for 755 students enrolled. There was also 100 percent teacher membership.

Prizes for the classroom winners were donated by local businesses.

The PTA is sponsoring a Halloween dance October 31 for Lemon Grove Junior high school students from 7:30 to 9:30 p.m. at the cafeteria. Tickets will be available at 50 cents each. Costumes are optional.

Refreshments will be served throughout the evening and there will be free prizes, according to Mrs. C. T. Hobbs, dance chairman.

TOP ARRANGER—Mrs. Farrel Patton of the Lemon Grove Woman's Club Juniors won first prize in the dry arrangements exhibit at the recent Southern District Conference at the La Fayette Hotel. There were 18 entries from nine clubs, according to Mrs. E. Schwilkin, district arts and crafts chairman.

Western Auto To Open Here

Phillip D. Morris, independent operator of a Western Auto Supply store in La Mesa will open in Lemon Grove October 31 at 7771 Broadway, the former location of the First National Bank.

Morris is closing the Western Auto store in La Mesa because of the expansion of the Southland Savings and Loan Association in whose building the auto firm is located.

Morris said the new store will be ready for a formal opening November 15.

Western Auto outlets handle complete lines of auto supplies, sporting goods, air conditioners, fans and toys. Also wheel goods, hardware, lawnmowers, tires and small appliances. Major appliances will be sold by catalog. Store hours are to be 9 to 6 daily, 9 to 9 Friday and 10 til 2 Sunday.

NEW COURT MAY BE IN 'BIG TOP'

quarters at Gillespie Field, and Supervisors Frank Gibson said he favored "a water-proof tent at Gillespie Field."

Supervisors instructed the chief administrative officer of the county to investigate the possibility of finding space at Gillespie Field.

Hostility between supervisors and Judge Garfield was recently aggravated by the judge's appearance before a state legislative committee to urge that supervisors be deprived of their power to set boundaries of judicial districts. They were indignant because Garfield made a number of appearances this year before supervisors asking them to change the boundaries of his district, saying that the Legislature would take too long to act on his requests.

As a result of the boundary change voted by supervisors in July, the second judge, Hareison, whose courtroom is now causing controversy, was appointed.

attorney of San Diego County. Hareison resigned the district attorney's office in August, 1953, to enter private practice. He was appointed city attorney of La Mesa in March, 1956.

He was born in Phoenix, Arizona and attended school there.

Hareison said there has never been any question about the need for additional court services for the big district. "Justice cannot be best served by long lengths of time between the filing and the hearing of a case," Hareison said.

Judge Garfield said that a formal request is being made to county supervisors this week to provide a permanent second courtroom in the district. He said that it is possible the supervisors may want to establish a courtroom in the Lemon Grove-Spring Valley-Casa de Oro area.

"In any event," he said, "Lemon Grove and Spring Valley areas will benefit. Much better judicial services will now be available than when that area was part of the San Diego district. Collateral advantages will result because the enforcement agencies work in this area and with two judges, the court calendar can be made current."

"A full time traffic court will now be possible," Judge Garfield pointed out.

Mothers Club To Meet In Veterans Building

The Air Force Mothers Club of San Diego County will meet Thursday of this week at 8 p.m. in the Veterans Memorial building in Balboa Park.

Any mother who has a son or daughter in the Air Force is invited to attend.

350 HEAR CANDIDATE

More than 350 persons, including members of the Lemon Grove Democratic Club and other local supporters of Edmund G. "Pat" Brown for Governor, heard the nominee speak on California's education problems Saturday at El Naderero in El Cajon.

visited, if that's the word, by a representative of the U. S. Department of Labor. This visitor, a personable young chap named S. G. Mickelson, brought a pound or two of pamphlets with which he doctored himself with me, and discussed labor, as the government men see it, for several hours.

He gave me no reason to believe that his visit was a result of my contact with the state office, but neither would he deny it when I asked.

He left with a pleasant fare well as though he had done me a great favor but it should be no secret that a firm such as ours, could be put out of business if the editor had to devote one day a week to federal visitors.

As it is we work several weeks a year to pay many federal bums through income tax payments.

Gov. Faubus has my sympathy in the one instance. He could very well turn his unfortunate position into one of national acclaim if he'd forget integration and go after the people responsible for IRS harassment.

More complaints than usual are reaching this publication concerning the use of secondary streets as drag strips and hot-rod testing grounds in the near-midnight hours.

One hot-rodder, only last week, using a wrap-around parking strip of Burns Radio and TV Repair as a race course, lost control of his hot-rod and plowed into the side of the building crashing through a plate glass window in the process. He escaped.

Sheriff's Deputy Hal Johnston and Claude Smith, and Highway Patrol Officer John Annis, all tell me they are checking more carefully on secondary streets speeding since school vacation is over. Some youngsters, Sheriff Johnston points out, have autos for school transportation and some of these drivers are culprits.

CHP Annis says adults are involved, too. No matter who is involved, it appears more and more of them are going to be "telling it to the judge."

MT. MIGUEL PTA SLATES FRESHMEN MEETING

Mrs. W. R. Hoye, chairman of the parent education program of Mt. Miguel PTA, has announced a meeting for "freshmen" parents October 30, 7:30 p.m., in Mt. Miguel cafeteria.

Mrs. A. D. Shawkey, freshmen parents education coordinator, will preside and introduce Mrs. Vela Gwin, freshman counselor.

"ONE THING"

The young man who had been born blind and whose eyes Jesus opened could give no explanation except to say, "One thing I know, that, whereas I was blind, now I see." You and I need not be able to preach a sermon or write a book, but if we do not know that we have passed from darkness to light, we must be lost.

TRESSER MADE CHIEF OF INDIAN TRIBE

Kenneth Tresser was elected to chief of the local Indian Guides when that group met recently. Tresser is known as Big Bear. Other officers are Owen Downing (Walking Horse), tally keeper; and Lou Henschamp (Red Fox), Wampum bearer.

New members taken in were Jim Blowers and two sons Mark and Bobby.

This meeting rounded out one year of the association together as members of the Ute tribe of the "Y" Indian Guides.

ASSEMBLY OF GOD V.F.W. HALL

2827 Imperial Avenue

PASTOR: E. J. FERRIS

Sunday School 9:45 a.m.

Morning Worship 11:00 a.m.

Evening Worship 7:00 p.m.

Officers and members believe the meetings have helped create a better companionship between fathers and sons. Besides the regular meetings they have enjoyed several extras including a tribe picnic at El Monte Park, a tribe hot dog roast at Eucalyptus park, and an overnight camp-out at Lower Otay.

They also took part in the Chryseum nation sponsored hot rod races, and walked off with most of the honors in the nation's kite fly. The nation's Easter egg hunt was enjoyed by all.

It is hoped that each little and big brave has profited by the experiences of the past year and that the Great Spirit will watch over all as a tribe in the coming year and strengthen the bond of "Pale forever" between father and son.

It is estimated that at least 60,000 patients could be released from mental hospitals if hospital staffs were sufficient to process them for discharge, and if their families and communities would take them back.

Hegland Accepts Support Of 'Business Bosses,' Charges Bill Shearer

"Assemblyman Herndon Hegland, by accepting support of San Diego's political and business bosses, has surrendered his campaign to special interests at the expense of both the free and independent citizens of the Twentieth and Republican parties," a line," Hegland's opponent, William E. Miller, charged, said yesterday.

Shearer, pointing to ads in downtown newspapers in behalf of Hegland which he said must have cost \$1,000, spoke before the National City Republican Women's Club Monday which met at the home of Mr. and Mrs. George Turner, 226 "N" Avenue, National City.

"It is a well known fact," Shearer said, "that all of the big businessmen endorsing Hegland in these huge advertisements are interested in some kind of government contracts or assistance. These special interests range from paving contracts to taxpayer subsidized parking for downtown department stores. I do not believe you can represent these men and the interest of the voters at the same time."

DOROTHY DIGS in the garden

Protection of dahlias and chrysanthemums through October is quite a serious garden problem because chewing insects are on the campaign. Many of the beetle species infest the garden at that time, chewing holes in the leaves and riddling the foliage and even the blossoms.

The first thing I know to prevent this is a spray combining malathion and dieldrin. This combination gives you a quick kill of the insects and a long lasting repellency against them, and it leaves no objectionable residue to spoil the appearance of the plant.

PYRACANTHA

Woolly aphid, the cottony-looking masses that molest pyracantha in Southern California, can also be satisfactorily gotten rid of with this dieldrin-malathion spray. But when spraying for this infestation, flick the nozzle of the spray gun over the soil at the base of the plant to kill woolly aphid which are usually around the root area also.

DENTISTS PULL FOR BETTS

LOS ANGELES—A 131 member, statewide "Dentists for Bert Betts committee" has been formed, Dr. Harry C. Altner said here this week.

Betts is the Democratic candidate for state treasurer. In announcing the formation of the committee, Altner said, "Dentists feel that a professionally trained man like Bert Betts should be our next State Treasurer. It is time that a qualified man is elected to the office."

Betts, 35, is a certified public accountant. He lives in Lemon Grove, and is the first man in California's history to run for a major state office from San Diego county.

MIXING BUSINESS AND PLEASURE

Every time I get a new camera in stock I realize why I'm in this business. I just plain like cameras!

For instance, yesterday I got our first shipment of the new Brownie Movie Camera with built-in exposure meter, and I spent a happy half-hour looking one over.

What makes this new Brownie so fascinating is that exposure meter. The meter is built right into the viewfinder so that as you make your movies you can actually see your exposure setting.

Here's how it works: When your lens is set right, the exposure meter's needle moves off center. To get back on the beam, you just turn a dial on the side of the camera to center the needle again. . . . and your lens is automatically reset correctly. And you can do it without taking your eye from the camera!

Next time you're in our neighborhood drop in, and handle this new Brownie Movie Camera yourself. Comes in two models: a single lens 1/18; and a turret model that let you shoot normal, wide-angle, and telephoto scenes. By the way: If your interest runs to 35mm, drop in for a look at the new Kodak Signet 35 Camera. They're already calling it an American classic. It's that good!

Substitute Teachers Meet Principals

Twenty-five substitute teachers met recently with the principals of schools in Lemon Grove to plan for school days when regular teachers are unable to attend their classes. This orientation meeting was designed to help the substitute fit readily into the schools and the curriculum of the district. Similar procedure was followed by regular teachers earlier in the term.

Lemon Grove now has 125 classroom teachers. Even though 25 substitutes have indicated a willingness to assume duties during absences of regular personnel many of them are registered in neighboring districts also, and might not be available when the need arises.

Substitutes are required by law to hold valid substitute or regular credentials and must be well-versed in classroom techniques and subject matter. Every community has many people who qualify for this important, part-time work. Those in Lemon Grove who wish an opportunity to assist with the education of youth here may call HO 9-4134, the Lemon Grove Education Center, to arrange for an interview.

Exchange Student At Mount Miguel

Eighteen-year-old Susana Oechi of Santa Fe, Argentina, a senior at Mt. Miguel high school, is the Grossmont district's first exchange student from a Latin-American country. She has been here since August 4, living at the home of Mr. and Mrs. Robert Barrett 3535 South Bonita street, Casa de Oro.

Susana Oechi
Susana said she is very pleased with the Americans and their way of life. She said, however, that living is much higher here than in her country. As an example, she said in Argentina you can purchase a cashmere sweater for about \$5 while in the United States it costs between \$18 and \$25. She said that compared with America, there are very few automobiles and washing machines in Argentina.

Subjects Susana is taking at Mt. Miguel include English, U. S. history, civics, biology, physical education and home economics. As Susana's parents are both dentists in Santa Fe, it seems only natural that she should follow along the same line. She intends to study medicine following her graduation from high school and also teaching in one of the South American schools.

THAT'S OUR ROOM — Students of San Miguel elementary school and Mrs. S. Gagan, membership chairman, discuss results of recent one-week PTA membership drive held at the school. The school PTA went over their quota in securing memberships. In front row, Roddy Gagan, left, represents the first grade, taught by Mrs. Louise Trimmer, which captured second place and Peter Klimick, representing third place.

Cigarette Tosser Like Hit, Run Driver-Caldwell

SACRAMENTO — The motorist who throws a burning cigarette, cigar, or match out of his car was likened today to a hit-and-run driver by California Highway Patrol Commissioner R. R. Caldwell.

"Just as a hit-and-run driver runs away from the scene of his crime, so also does the person who starts a disastrous fire with his illegally disposed of cigarette, cigar, or match," Caldwell said.

DON'T TAX SCHOOLS DON'T RAISE TAXES

\$118,000,000.00...is the amount of taxes the State Board of Equalization reports you are saved every year by California's nonprofit schools built, paid for, maintained by Protestant, Catholic, Jewish and nonsectarian groups.

\$400,000,000.00...is the sum that would be required—again by official report of the State Board of Equalization—to duplicate the school buildings built at no public expense by California's 1,076 nonprofit schools.

To tax them would shift a high percentage of their enrollment into critically overcrowded public schools—at the public's expense!

\$346.00 PER PUPIL...is the average cost per year to the taxpayer to educate a child in the public school system, according to figures supplied by State Controller Robert C. Kirkwood.

The State Board of Equalization reports that if these schools were taxed, they would provide less than \$1,800,000 in tax revenue. Don't punish schools that are giving the taxpayers the greatest bargain in history—a \$118,000,000 tax saving in exchange for less than \$1,800,000 in tax exemption. To punish these schools with a tax would punish every California taxpayer.

IT'S UN-AMERICAN...Proposition No. 16 singles out for taxation the nonprofit elementary and high schools sponsored and paid for by Protestant, Catholic and Jewish faiths. It is a PUNITIVE measure. It violates the American tradition of tax-free education. AND ITS PURPOSE IS DISCRIMINATION.

No state taxes nonprofit schools, for the simple reason that they save taxpayers millions of dollars every year in school support—\$118,000,000 in California alone. Parents of children attending nonprofit schools pay the entire cost without one cent of state aid.

IT'S UNFAIR...It is unfair to force a family to pay a double tax for education. Parents of children in nonprofit schools pay their full share of public school taxes. To tax their nonprofit schools would be taxing them twice for education.

None of the other 48 states taxes these schools. Tax-free education is an American tradition originating in colonial times.

Nonprofit colleges and universities are not taxed. It is unfair and inconsistent to tax California's 390 Protestant, 643 Catholic and 43 Jewish and nonsectarian elementary and high schools.
